

## **Flu Vaccine Clinic** – For all MASD Students November 15, 2017

Through a partnership with *Health Hero PA*, all students of the Minersville Area School District can receive their flu vaccine free of charge, during the school day. Health Hero will be providing **Injectable Flu Vaccinations** on Wednesday, November 15, 2017 to all students with signed parental consent forms. The consent forms are being sent home with students, or can be printed from the MASD home page.

We are looking forward to making this a success by reducing the amount of illness and absenteeism throughout the district. Please contact the school nurse with any questions at (570) 544-1400 ext. 2049.
